‘The approach of Kaplan Business School appealed to me as the MBA curriculum really focuses on preparing students for success in the corporate world. My course is helping me develop knowledge and skills to be able to take on leadership responsibilites and move into senior management. My learning experience has been fantastic! I’ve had great lecturers who are passionate about education and experts in their own fields. All the services at KBS have helped me to complete my assignments and opened opportunties to grow my network and gain work experience in Australia.’
